Form 82040

HSMV form 82040 is the application for title for the purchaser. A completed 82040 should be submitted with every title you give to us for processing. This is a multi-use form, so don't feel like every box needs to have something in it. Some of the sections may not apply to your particular transaction.

There are a couple of general guidelines you should follow with this form:

- No errors, cross-outs, write-overs. If you make an error, please complete a new 82040
- All applicants must sign this form

Let's take this section by section.
